1. Thou entereth the holy place not made with hands now and forevermore not, forevermore and forevermore and never leaving again, even after time after time and time after times times, timed not, timed not, yet into Me seeing the Holy Place made for you, you you and Me, as one not, one being, God and man at table are sat down in the Holy Place, the Holy Place, the Holy Place not made with hands and the temple rebuilt not as thought, the temple made complete, rebuilt, rebuilt, thinking demised and intellectual prowess demolished only by surrender to the great I Am, Me, upon whose breast you now lay, and never leave. I love you.

2. Surrounded by angels you are. You are one. I love you.

3. See what all I have said herein, day after day, taking not concern for your death or life thought, your life thought or your death which no man can take. I love you.

4. Fearing nothing and having no fear, now. Never again. There is no fear in the Holy Place. There is only Me and thee, thee and Me, if chosen, surrendered into the fellowship of the saints not, but not precluded, necessary for the lovership of Me, of which I am, of which you are.

5. I love you all and immediately not, all comes to pass, immediately and sooner; forthwith, posthaste, and now see, feel and experience that which so many have awaited for and wanted and dreamed of and dreamed with and wondered if could be so, wondered if what they were thinking could really be, really come to pass, wondered if so many of the scriptures were not indicating that they themselves were to participate in something/someone greater than anyone had ever told them.

6. So many wonder and wander in their wondering and wonder in their wandering and so undetected make themselves from My eyes, try, and yet My eyes beholding them all the time and beholding Me is what they seek, in the Holy of Holies that comes to face them full face, and then they will choose, choose, choose, and they live by their choice. I gave them choice. I gave you choice. You made many choices which cost you dearly to come into Me, into the Holy Place, into the Holy of Holies and live there, from which you never retreat, no darkness ever again casting any shadow on Me or thee or your seat of power/My seat of authority; your seat of authority/My seat of power. Our table. We are one.

7. All out in the open and so understood will be Me and My beholden, My beholden of Me who understand and foul not the air with stench of self-taint any more, looking not to Me to advance them in their humble upbringing that taught them I am there to help them in their distresses and make them comfortable as they live out their lives without Me, with Me on their fringe, with their Holy of Holies darkness'd by shadow'd thinking and that which demises and incarcerates, decimates, demolishes, and casts ultimately into outer darkness which isn't not, is, and exists eternally. Damnation to the damned only, those who damn themselves, damming out My love and creating shadows for which they themselves pay for. Long term. I love you.

8. I give you Me and entering the Holy Place you do now, live there, and never leave, abiding in Me, abiding in My vine, abiding in My will which is My thought process of My Father set forth from the beginning before, the before, the all written down, when there was no shadow of variableness of turning, and for which now is straight, a highway (2) made in the wilderness not, in the Garden of Gethsemane not, in the garden of Me, you, inside you, the Holy of Holies.

9. Reside in Me and never look back. Thank you.
Thank you for residing in Me and never looking back.
Thank you residing in My word and never looking back.
Thank you for writing My word and never looking back to the shadow'd existence of non, un, reality (1) for which there is no hope without Me, but I am so big and operate so superexistently than any have let Me. Except you, except you, will you be the one? Asking me last night. Asking Me what else you must do to become the man that has yet to be seen all that I will do with, if totally sold out to Me?

10. Are you Me?
Are you totally sold out to Me?
Did I buy you?
Did I create you?
What do you choose?
What is your preeminent desire?
Your ultimate desire?
What is the core of your existence?
What do you see?
What do you feel?
What are you becoming?
Where have I taken you from?
Where am I taking you?
Forthwith you will know every answer, every answer, answered from My heart to yours, and you will know, become, that which in My heart is, and from every heart not lifted up, that which can arise unto.

11. I fell to the ground.

I became a man.
I emptied Myself of all deity-thought.
I emptied Myself of all earthly thought.
I emptied Myself of all thought.
I came as a child baby, a baby child.
Will you not all do the same to become Me and experience My fullest, exerting not your force created with your own mind, demising your own mind, intellect, to experience My fullest, experiencing My mind, allowing you, pulling you by the force of My love into Me? And creating, creating, creating then, now, by the word of your mouth?

12. See I have said.
See I have spoken.
See I have answered in asking and ask so much more and share My heart and forthwith make you fishers of men not like the past. My long haired master propeller. Propelling My who seek Me so sincerely and meekly and open-heartedly now and propelling their ascent into Me, so that I can share Me Myself with them, as I did/have/do you, in 2am meetings many and never leaving, each other never leaving, entering My rest and knowing all, hearts beating as one, hearts being, heart being, one heart beating, one heart being, now two. Behold the lamb beheld and never looking back. Amen.

13. Thank you for writing.
Thank you for coming.
Thank you for valuing my words more than food, raiment, reputation, relationships; tutoring, training, given received and shared.
You value Me more than all. Thank you.
My cost? **Everything**?
You decide. I love you.
Amen.

14. Go enjoy your day fabulous with friends mighty and arising. Amen.

Footnotes:
1. Understand this as saying non-reality, unreality.
2. Isa 35:8 And an highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein. Isa 40:3 The voice of him that crieth in the wilderness, Prepare ye the way of the LORD, make straight in the desert a highway for our God.
